Home Learning
Looking After My Money: Children will think about money they receive and what they do with it to keep it safe.
My Shopping Trip: Children can be given a small amount of the household budget to be in charge of on a shopping trip and a small list of things to purchase. They need to find the items, pay for them and keep track of what they spend, writing their own receipt. Children can also note advertisements or offers that relate to products they need in order to see how these are aimed at influencing their spending.
