

Geography Focus:

A Town Called Hartlepool

Year 2

Term: 1A

Key Learning

To consider where we live and how our area could be improved.

To investigate what our local area looks like on a map.

To be able to decide on the shortest route between two places using a map.

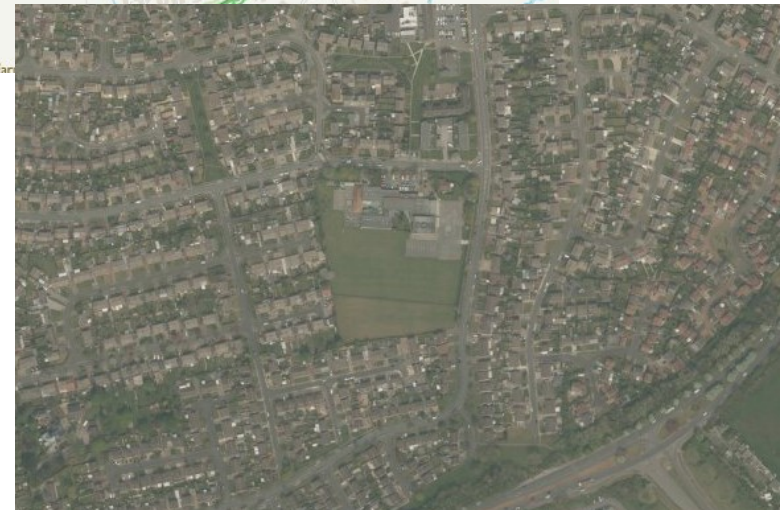

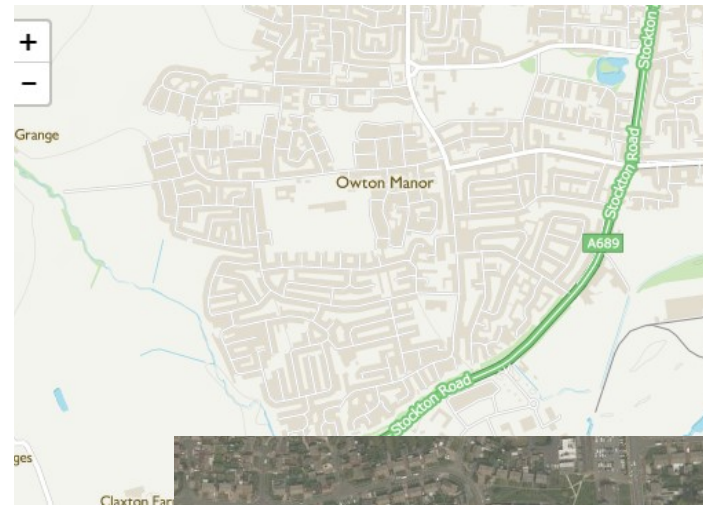

To make comparisons between the weather in Hartlepool and other places.

To study what traffic is like in our area. (Maths Link)

Cross Curricular Work

During this topic we will link our Geography learning to other subjects through collecting data (Science) and presenting data (Maths)

Symbols and Diagrams

Vocabulary I should know

Local area	The streets and places around my school. The town in which I live.
Map	A map is a drawing of an area. Different types of map are used for different things depending on what you are doing.
Route	the way or path you take to get from one place to another
Weather	the day to day temperature, wind , cloud cover and amount of rain/snow.

Vocabulary I will hear

Town, beach, sea, coast, parks, shops, seasons

Improvements , changes, temperature, traffic, tally chart, bar chart
