**Youtube link:** How to create a sculpture ready for papier-mâché.

<https://www.youtube.com/watch?v=Bi7GLp199iY>

### Key Learning

- To explore mythical creatures from Ancient Greece.
- To create a plan to make a mythical creature model.
- To develop skills in sculpture focusing on the size and shape of different body parts in their models.
- To explore joining techniques when creating sculptures.
- To improve their mastery of painting techniques focusing on use of different shades of a colour to create shadows and highlights.
- To evaluate the success of the sculpture, focussing on things which worked well and ways in which they could be improved.
