

One Community, Growing and Learning Together

Year 2 Curriculum Newsletter - Spring Term 2

We have lots of exciting curriculum learning planned for this half-term and greatly value your support as a parent/carer. We would like to share our curriculum coverage for this half-term.

English - Pupils will be looking at poetry and reading different poems. The children will be reading the text 'Bog Baby' and thinking about persuasion around this text.

Maths – Our mathematicians will concentrate on length, height, mass, capacity and temperature in our measuring units.

Science – The Year 2 scientists will continue to develop their knowledge of materials, work scientifically in this unit and linking it to our DT topic.

RE – Year 2 will be continuing their focus on Christianity looking at how Christians celebrate Easter.

PE - Pupils will be developing their fitness ability. They will be looking at their skipping skills this half term too.

Geography – Children will continue to learn about the countries around the world with a focus on Australia.

Computing – Pupils will continue to develop their online safety and will also have a skills focus on pictograms.

PSHEE & Relationships – Children will focus on the topic 'It's my body'.

Art – Our Art focus is 3D modelling and we link this to the landscapes work in Geography.

DT – Our DT is linked to science, where we develop a coat for a postal worker.

Reminders

- Year 2 children benefit greatly from reading every day at home, especially with an adult to hear and question them. Children will receive a stamp for every adult signature in their Home/School Reading Record. If children get three stamps in one week, they will receive a Reading Raffle ticket. Children should read their book several times in order to build pace, fluency and understanding of the text.
- Children are asked to complete 12 mins of Numbots online maths each week.
- Homework to be handed in on a Friday and spelling tests will take place each Friday. New spellings and homework will be given on a Friday for the following Friday.
- PE will take place on Tuesday and Wednesday of each week; however, this might change if the weather is suitable to do PE outside – please can children have their PE kits in school. Please can earrings be removed on these days. Where they can't be removed, please can they be covered with plasters.

Children will receive a stamp for every adult signature in their Home/School Reading Record. If children get three stamps in one week, they will receive a Reading Raffle ticket. Children should read their book several times in order to build pace, fluency and understanding of the text.
- Children are asked to complete 12 mins of Numbots online maths each week.
- Homework to be handed in on a Friday and spelling tests will take place each Friday. New spellings and homework will be given on a Friday for the following Friday.
- PE will take place on Tuesday and Wednesday of each week; however, this might change if the weather is suitable to do PE outside – please can children have their PE kits in school. Please can earrings be removed on these days. Where they can't be removed, please can they be covered with plasters.

Year 2 Curriculum Newsletter - Spring Term 2

We have lots of exciting curriculum learning planned for this half-term and greatly value your support as a parent/carer. We would like to share our curriculum coverage for this half-term.

English - Pupils will be looking at poetry and reading different poems. The children will be reading the text 'Bog Baby' and thinking about persuasion around this text.

Maths – Our mathematicians will concentrate on length, height, mass, capacity and temperature in our measuring units.

Science – The Year 2 scientists will continue to develop their knowledge of materials, work scientifically in this unit and linking it to our DT topic.

RE – Year 2 will be continuing their focus on Christianity looking at how Christians celebrate Easter.

PE - Pupils will be developing their fitness ability. They will be looking at their skipping skills this half term too.

Geography – Children will continue to learn about the countries around the world with a focus on Australia.

Computing – Pupils will continue to develop their online safety and will also have a skills focus on pictograms.

PSHEE & Relationships – Children will focus on the topic 'It's my body'.

Art – Our Art focus is 3D modelling and we link this to the landscapes work in Geography.

DT – Our DT is linked to science, where we develop a coat for a postal worker.

Reminders

- Year 2 children benefit greatly from reading every day at home, especially with an adult to hear and question them. Children will receive a stamp for every adult signature in their Home/School Reading Record. If children get three stamps in one week, they will receive a Reading Raffle ticket. Children should read their book several times in order to build pace, fluency and understanding of the text.
- Children are asked to complete 12 mins of Numbots online maths each week.

RE – Year 2 will be continuing their focus on Christianity looking at how Christians celebrate Easter.

PE - Pupils will be developing their fitness ability. They will be looking at their skipping skills this half term too.

Geography – Children will continue to learn about the countries around the world with a focus on Australia.

Computing – Pupils will continue to develop their online safety and will also have a skills focus on pictograms.

PSHEE & Relationships – Children will focus on the topic 'It's my body'.

Art – Our Art focus is 3D modelling and we link this to the landscapes work in Geography.

DT – Our DT is linked to science, where we develop a coat for a postal worker.

Reminders

- Year 2 children benefit greatly from reading every day at home, especially with an adult to hear and question them. Children will receive a stamp for every adult signature in their Home/School Reading Record. If children get three stamps in one week, they will receive a Reading Raffle ticket. Children should read their book several times in order to build pace, fluency and understanding of the text.
- Children are asked to complete 12 mins of Numbots online maths each week.
- Homework to be handed in on a Friday and spelling tests will take place each Friday. New spellings and homework will be given on a Friday for the following Friday.
- PE will take place on Tuesday and Wednesday of each week; however, this might change if the weather is suitable to do PE outside – please can children have their PE kits in school. Please can earrings be removed on these days. Where they can't be removed, please can they be covered with plasters.

Year 2 Curriculum Newsletter - Spring Term 2

We have lots of exciting curriculum learning planned for this half-term and greatly value your support as a parent/carer. We would like to share our curriculum coverage for this half-term.

English - Pupils will be looking at poetry and reading different poems. The children will be reading the text 'Bog Baby' and thinking about persuasion around this text.

Maths – Our mathematicians will concentrate on length, height, mass, capacity and temperature in our measuring units.

Science – The Year 2 scientists will continue to develop their knowledge of materials, work scientifically in this unit and linking it to our DT topic.

RE – Year 2 will be continuing their focus on Christianity looking at how Christians celebrate Easter.

PE - Pupils will be developing their fitness ability. They will be looking at their skipping skills this half term too.

Geography – Children will continue to learn about the countries around the world with a focus on Australia.

Year 2 Curriculum Newsletter - Spring Term 2

We have lots of exciting curriculum learning planned for this half-term and greatly value your support as a parent/carer. We would like to share our curriculum coverage for this half-term.

English - Pupils will be looking at poetry and reading different poems. The children will be reading the text 'Bog Baby' and thinking about persuasion around this text.

Maths – Our mathematicians will concentrate on length, height, mass, capacity and temperature in our measuring units.

Science – The Year 2 scientists will continue to develop their knowledge of materials, work scientifically in this unit and linking it to our DT topic.

RE – Year 2 will be continuing their focus on Christianity looking at how Christians celebrate Easter.

PE - Pupils will be developing their fitness ability. They will be looking at their skipping skills this half term too.

Geography – Children will continue to learn about the countries around the world with a focus on Australia.

Computing – Pupils will continue to develop their online safety and will also have a skills focus on pictograms.

PSHEE & Relationships – Children will focus on the topic 'It's my body'.

Art – Our Art focus is 3D modelling and we link this to the landscapes work in Geography.

DT – Our DT is linked to science, where we develop a coat for a postal worker.

Reminders

- Year 2 children benefit greatly from reading every day at home, especially with an adult to hear and question them. Children will receive a stamp for every adult signature in their Home/School Reading Record. If children get three stamps in one week, they will receive a Reading Raffle ticket. Children should read their book several times in order to build pace, fluency and understanding of the text.
- Children are asked to complete 12 mins of Numbots online maths each week.
- Homework to be handed in on a Friday and spelling tests will take place each Friday. New spellings and homework will be given on a Friday for the following Friday.
- PE will take place on Tuesday and Wednesday of each week; however, this might change if the weather is suitable to do PE outside – please can children have their PE kits in school. Please can earrings be removed on these days. Where they can't be removed, please can they be covered with plasters.
