

Term 3B Week 3 (15th June)

English

This week our English lessons focus around Aboriginal dreamtime stories.
All video resources are available at
<http://www.dormanmuseum.co.uk/learning/australian-aboriginal-inspired-stories/>

Task 1: Listen to the Dreamtime stories inspired by Aboriginal myths. Discuss what you think of the different stories with your family. Can you remember any of the stories enough to retell it to someone else?

Task 2: Watch the online instructions from our friends at Kirkleatham Museum on how to make a little book.

<https://www.youtube.com/watch?v=ndMd0eZVvNM>

Make your own little book of your favourite Dreamtime story. You can use words, pictures or both.

Task 3: Invent your own Dreamtime story and make it into another book with words, pictures or both. Here are some ideas for you:

- How ladybird got her spots
- Why blackbird's beak is yellow

If you want to share your book covers or pages of your books with the Captain Cook Museum by email: captcookmuseum@middlesbrough.gov.uk. They will upload them to their social media pages on National Writing Day 25th June 2020

Resources: Rainbow Serpent Story, Snake cutting skills sheet, Spellings, handwriting sheet and word search

Alternative work can be found on <https://www.thenational.academy/> or <https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons/1>

From next week, English activities will be linked to George's Marvellous Medicine by Roald Dahl. There is an audio ebook available for this text if you do not have a copy.

Maths

White Rose Week 8

Videos to support completion of each sheet can be found at
<https://whiterosemaths.com/homelearning/year-2/>

Lesson 1 - Properties of 2D shapes

Lesson 2 - Properties of 3D shapes

Lesson 3 - Sorting shapes

Lesson 4 - Shape patterns

Extra work linked to each daily lesson available on both
<https://www.bbc.co.uk/bitesize/tags/z7s22sg/year-2-and-p3-lessons/1> and
<https://classroom.thenational.academy/subjects-by-year/year-2/subjects/maths/>

Foundation Subjects

Music:

Create your own percussion instrument to use in our next music lesson. Check out the following website for a range of ideas.
<https://www.activityvillage.co.uk/musical-instruments>
<https://artsycraftsymom.com/diy-musical-instruments-for-kids-to-make-and-play/>

PE:

Join in with some of the activities from the Tees Valley Virtual Games this week. Information on the different tasks will be published to their website on Monday 15th June. <https://www.teesvalleysport.co.uk/.../s.../virtual-school-games/>

Alternatively, create your own fitness workout. You could create a circuit where you do an activity for a few minutes before moving on to the next one or create a dance workout to music.
