Cowboy Pete \_\_\_\_\_ into Tashville wearing his cowboy hat and \_\_\_\_\_-toed boots. The worried villagers heard Pete's horse approaching on the dirt \_\_\_\_\_. They began to \_\_\_\_\_ and \_\_\_\_\_ more heavily. They should have known better than to \_\_\_\_\_ fifty \_\_\_\_\_ of gold from the meanest cowboy in the west and that one day he would \_\_\_\_\_ to get it back. Pete fired a warning shot into the air, which then went on to \_\_\_\_\_ off a nearby metal \_\_\_\_\_. The villagers needed to pay him back and fast!

King Henry VIII's reign began before the Great Plague. He is mostly remembered for being a vain Tudor king with a huge waistline, red moustache and strange, ruthless behaviour. He also famously had six wives. Sometimes he married for love but other times, he married for business reasons and to keep the peace with other countries. Henry didn't waste time between his weddings either – sometimes beheading one wife and marrying a new bride in the same year. He really was a rogue!

Cowboy Pete rode into Tashville wearing his cowboy hat and steel-toed boots. The worried villagers heard Pete's horse approaching on the dirt road. They began to groan and breathe more heavily. They should have known better than to steal fifty pieces of gold from the meanest cowboy in the west and that one day he would reappear to get it back. Pete fired a warning shot into the air, which then went on to ricochet off a nearby metal grate. The villagers needed to pay him back and fast!
