## Friday, 12th November

### School Nurse

We have been very fortunate to be able to offer School Nurse Drop ins again. These drop in sessions will be held every month and parents are welcome to come along and speak to the nurse confidentially about any issues. The School Nurse is able to offer advice and support on a range of issues including sleeping, toileting, healthy eating, mental health, Covid and puberty to name but a few. Our first drop in session will be held on **Wednesday 24<sup>th</sup> November (8:45-9:45)**. No appointment is necessary.

### Christmas Cards

We ask that all artwork be returned to school by Monday, 15<sup>th</sup> November. 'Xmas4schools' will send a link and unique code directly to parents and carers by either email or text. You can then log on and purchase products directly from the website. Orders will be delivered to school.

### Attendance Award

The current winners are Mrs Sibly's Y3 class with 100%.

### Poppy Appeal

Many, many thanks for your extremely kind donations to the fundraising campaign held during the period of Remembrance. At one point, we even had to order more Poppies and related items! Your generosity is something to be proud of. Thank you once again.

### Football

Congratulations to our Y6 team. In a competition today, they won four and drew one of their six matches, finishing second overall.

### Merit Winners

Well done to our 'Merit Winners' for this week. Certificates and prizes are well deserved and examples include: thinking of others before himself, being a fantastic friendship buddy and role model in school, and showing determination when using your maths knowledge to solve clues.

### Y5 Swimming

A reminder that Mrs Todd's Y5 class will be swimming for the next two weeks (15/11/21 - 26/11/21). Therefore, they will not need to come to school in PE kit, but will need to bring their swimming kit to school every day.

### Children in Need

Next Friday is Children in Need. We will hold a non-uniform day, and if you would like to send in a donation, this will be gratefully received and we will forward this to Pudsey!

### Maths Week

Thank for everyone's contributions to Maths Week! What a success it has been. The children have excitedly been talking about the activities and challenges, and Mrs Martin is over the moon by the outcome. Many thanks for all of the fantastic competition entries, and well done to all winners!
