

### Reader of the Week Superstars

A massive well done to our very first Readers of the Week of this new school year. It looks like those weekend treats were thoroughly enjoyed! Thank you to our families for sharing these great photos with us.

### Attendance

Our attendance for last week was again **97.7%**

Thank you for your support at home in getting our children into school and ready to learn!

### EXCITING NEWS: Our Brand-New Reading Records Have Arrived!

We are thrilled to launch our new school reading records! At Fens, we know that reading is the key to success, and these records are designed to make tracking your child's reading journey fun, clear, and rewarding.

How you can help at home:

 Read together for just 10–15 minutes every day.

 Sign the record each time your child reads to help them earn reading tokens for our reading raffle.

 Leave a comment about how they got on with their book.

Let's work together to keep cultivating our fantastic reading culture. Happy reading, everyone!

### Year 5 - Children Challenging Industry

This half term, our wonderful Year 5 children are partnering with the University of York to explore the brilliant world of jobs and careers in industry! We kicked things off this by filling out our initial project questionnaires. This week, the real adventure begins as we officially start the programme. As part of this fantastic programme, the children will get to see industry in action first-hand with an upcoming site visit to the Teesside Gas Processing Plant. We can't wait to see where this journey takes our future industry leaders! Stay tuned for updates on what they learn over the coming weeks.

### Reminders

Many thanks again for a great start. Going forward please acknowledge the following reminders for the whole school year. The only earrings permitted are small studs, which should be covered, or removed for PE. Footwear must be sensible and black (no Crocs), and pupils should not wear fake/acrylic nails to school. Thank you for your supports and understanding.
