

### Food Bank

Thank you very much for your extremely generous donations to our Food Bank appeal. As you can see from the pictures, there has been a huge response. Your kind donations will support the people of Hartlepool when they need it the most. Thank you once again for donations from Tesco at Fen's shops and Poundland who have supported the school from the wider Fens Primary School community.

## Friday, 15th October

### Parent Consultation Evening

Many thanks to those of you who have booked a time slot. Our Y6 Monitors will be on hand to show you to your waiting areas, when you arrive. Both evenings will take place face-to-face in school.

### Y5 Swimming

Our Y5 children will start afternoon swimming lessons after the October half-term (Y5J 01.11.21-12.11.21/Y5T 15.11.21-26.11.21). Additional information will follow.

### Lockdown Drill

Our children were exemplary! Super sensible, and focussed, you would have thought the school was empty! Every child listened, and followed instructions to the letter!

### History

Thank you very much to our children this week for demonstrating excellent knowledge and a passion for History, observed during a learning walk of the school.

### Merit Winners

Well done to our 'Merit Winners' for this week. Certificates and prizes are well deserved and examples include: excellent use of watercolours during Art, excellent understanding of negative numbers, putting 100% effort into every task, and remembering targets!

### Sporting Events

Football-Some of our pupils from Y3, Y4 and Y5 attended a football event at Dyke House this week. They thoroughly enjoyed themselves, even though they did come back soaked due to the weather.

Cross Country-Our children ran at Stewart Park on Wednesday and gave their all representing Hartlepool, whilst competing against others finalists from the Tees Valley!

Tag Rugby-Both teams won every one of their initial games to secure their place in both finals. Their attitude shone through and our teams secured second place across the town!

### Attendance Award

Each week, one of our classes will win our attendance award and proudly display it in their class for the week. The current winners are Mrs Robinson's Y2 class. Each week we aim to beat the national average.

Who will this week's winners be?

### Y1 PE

After half-term, Y1 PE day will now take place on a Monday.

### Choir and Christmas Performance Auditions

Auditions will take place next week for children from KS2. Children who are interested will be bringing home a script to learn. Good luck everyone!
