Safer Internet Day

We celebrated Safer Internet Day 2025 on the 11th of February, with learning based around the theme **'Too good to be true? Protecting yourself and others from scams online'**.

Safer Internet Day is the UK's biggest celebration of online safety. Each year we cover an online issue or theme that speaks about the things young people are seeing and experiencing online. Created in consultation with young people across the UK, this year Safer Internet Day focused on the issue of scams online and for young people, how to protect themselves and others, as well as what support is available to them.

Our Digital Leaders led the day and were amazing! They were a credit to themselves, Ms Low and the school.

Dodgeball

Well done to our Y6 Pupils, who attended a dodgeball event last week. Following a warm-up and skills session, they played friendly games with other local schools – and they were brilliant!
