Book Swap

During our World Book Week, we will have a book swap on Thursday 5th March. Pre-loved books can be brought into school and swapped for another book of your child's choice. If children would like to be part of the Book Swap, books can be brought into school **from Monday 16th February** in preparation for the Thursday.

World Book Day – Dress up

To celebrate 'World Book Day 2026', on **Thursday 5th March**, we invite children to come dressed as a book character of their choice.

If your child would prefer not to dress up, they could wear, or bring, an item which will be a clue for us to guess a book character.

'Decorate a Piece of Fruit' Competition

In celebration of World Book Day, our Reading Leaders would like you to get creative and decorate a piece of fruit to look like your favourite book character. How you do this is your choice! You can paint your fruit, make clothes from paper, card or fabric and use any other props to bring your piece of fruit to life. The competition will be judged on World Book Day and there will be prizes for the winners. Please bring your creation into school to be displayed in our school hall by **Wednesday 4th March**.

Parental Consultation Evenings Save the date

This term's consultation evenings will take place on Monday 30th March and Wednesday 1st April.

Further details will follow later in the week.

Book Fair

You are invited to our Book Fair!

The Book Fair is coming to our school on **Tuesday 3rd March**. It's the perfect opportunity for you and your child to explore a galaxy of great books and rocket into reading! Children will have the chance to browse the books during the daytime, with the bookfair being opened to parents/carers after school from **3.25pm**. Books are ordered and then are delivered to children in school.

Aspire2Be

Year 5 children met Wes and Stephen from the Royal Navy. Our children learned about the incredibly varied career paths that the Navy offers. They also learned how the Navy operates as one organisation, prevents conflict and offers security for our nation. The children loved making their own flares in the classroom which were then launched in the playground to end the session.
