

Merit Winners

Well done to our winners! As well as having 100% attendance for the first week back, they have demonstrated strong examples of personal 'resilience'!

Term time holidays

As a school we do not authorise holidays during term time, as Government guidance states *the need or desire for a holiday does not constitute exceptional circumstances*. However, it is important that holiday forms are submitted to school prior to the holiday commencing. If we have not received a holiday form for the absence, school will follow safeguarding procedures and make enquiries as to where the child is. This may include telephoning parents, emergency contacts or visiting the family home. In addition to this a letter will be sent home explaining that the absence has been marked as a holiday and if the Government threshold of 10 sessions (5 days) within a 10-week period is met as a result of this absence, this will be referred to the Local Authority who may consider a fine. Please note, this includes absences for any length of time including half days.

TTRS Rock Heroes

Well-done to three of our Year Four pupils who have achieved Rock Hero status on TTRockStars. This is a huge achievement and means they are now answering times table questions in under 1 second per question. Well-done. That is amazing!
