

Readers of the Week

We love seeing our amazing children take home the Reader of the Week bag. There is nothing better than curling up with a fantastic book, a warm mug of hot chocolate, and plenty of marshmallows.

We hope these special moments inspire a lifelong love for storytelling and adventure. Keep turning those pages, superstars! You are making us incredibly proud.

An Incredible Reading Milestone!

We are absolutely bursting with pride as we celebrate the phenomenal achievements of our fantastic Key Stage 2 children on Reading Plus this academic year! Together, our Year 3, 4, 5, and 6 pupils have read an astronomical...

[readingplus](#)

Total words read so far this academic year:

13,539,961

They have explored hundreds of stories, unlocked new vocabulary, and pushed their comprehension skills to new heights through their dedicated daily reading. Thank you so much to our parents and carers for supporting this home learning journey. You are helping us grow a generation of lifelong readers!

Sports Day

Unless conditions change significantly, Sports Day will go ahead as planned on Friday. We will be putting measures in place throughout the day to keep everyone safe, including restricting children's time outdoors by providing an indoor lunchtime, regular drinks breaks (as per the World Cup!), shorter races, and potentially reducing the number of events if we feel it is necessary on the day.

Attendance

Our attendance for last week was **95.5%**, raising our year-to-date average to **96.06%**.

Thank you for your support at home in getting our children into school and ready to learn!

Summer Disco – Monday 29th June – 3:30pm – 5:00pm

For those wanting to attend, children can bring a change of disco clothes to change into on the afternoon. Children not wishing to go will go home at normal time as usual (After School Club will be in the Heron Room that night).

Reception, Y1 and Y2 pupils will dance first and then go for their refreshments, before being collected to go home from the KS1 playground at 5pm.

Y3-Y6 pupils will have their refreshments first and then go into the dance hall before being collected from the KS2 playground at 5pm.

There will be additional drinks available throughout. The cost for entry and refreshments will be £3 per child and must be paid online via ParentPay.

Children not attending the disco, or After School Club, must be collected and taken home at 3.25pm.

Payment is now live on ParentPay.

Aspire2Be

A team from Utilita Energy visited our Y5 classrooms to help the children learn all about how the energy business works. More importantly, they shared fantastic, practical tips on how we can all save electricity and look after our planet.

To put their new knowledge to the test, the children took part in a competition to design an eye-catching energy-saving poster. Their knowledge was absolutely electric, making it incredibly tough for Utilita to judge. A huge congratulations to our four lucky winners.

Year 5 pupils had a fantastic experience welcoming Eddie from Fujifilm! The children listened intently as our Aspire2Be visitor shared his fascinating journey, from studying biomedical science at university to his current career working with a global company that produces life-saving vaccines. It was an incredible opportunity for Year 5 to see how classroom science connects to real-world careers that change lives.
