

Readers of the Week

This week's READERS OF THE WEEK enjoying the rewards of their hard work.

'It is books that are the key to the wide world; if you can't do anything else, read all that you can'.

Week**

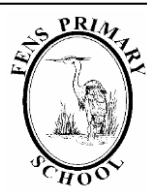

Attendance

Our attendance for last week was 96.4%, raising our year-to-date average to 96.21%.

Thank you for your support at home in getting our children into school and ready to learn!

It is wonderful to see the school's average attendance creeping up higher and higher each week.

Newsletter

Tuesday 28th April

Lockerbie Manor

On Wednesday 20th May there will be a meeting for parents and carers of children who are attending the Lockerbie Manor Residential.

The meeting will start at 5:00pm and will be approximately 40 minutes. Children are welcome to attend with you if you wish.

During the trip, children will have the chance to visit the Tuck Shop and buy a few sweet treats. If you would like your child to take part, they may bring up to £5.00 spending money.

To help keep it safe, we usually collect any spending money before the trip. If you're happy for your child to bring some, please send it into school from Monday.

Merit Winners

A huge WELL-DONE to our Merit winners. In addition to having 100% attendance, they have also demonstrated positivity and excellence.

Term Dates

As previously communicated, term dates for next academic year (2026/2027) will be published on Friday 22nd May. The dates will be published following approval at the governing body meeting which takes place on Thursday 21st May.

Aspire2Be

Our Year 3 children had a great morning meeting Cleveland Fire Brigade and their Education Coordinator who discussed the different roles available in the fire service.

It was wonderful to welcome Hayley and Sian, NHS Radiographers, into school. This was Hayley's third year volunteering and visiting our children. Year 5 were really enthused by their passion and energy for their roles in the NHS. The afternoon was packed full of discussion and activities that allowed our children to develop and showcase their science knowledge and link their curriculum learning to this exciting career path. An inspiring afternoon for our children.

Squishies

A small reminder that squishies or other fidgets should not be brought into school. These items can be distracting as some can create noise or can be visually distracting.

Where a child has an individual need that requires a fidget tool to support concentration, appropriate resources will be provided by school.

Thank you for helping us maintain a calm learning environment.

After-School Club

We have increased the capacity for 'After-School Club. If you would like a place, please contact the school office and they will discuss the options available.
