

### Readers of the Week

This week's READERS OF THE WEEK enjoying the rewards of their hard work. 'It is books that are the key to the wide world; if you can't do anything else, read all that you can'.

### Attendance

Our attendance for last week was 97.3%, raising our year-to-date average to 96.2%.

Thank you for your support at home in getting our children into school and ready to learn!

It is wonderful to see the school's average attendance creeping up higher and higher each week.

## Newsletter

Tuesday 31<sup>st</sup> March

### Easter

A reminder that the boiled egg decorating competition will take place on Wednesday 1st April and will be judged by the school council.

If you would like to enter the Easter raffle, you can pay for any tickets you would like on ParentPay.

If you buy any tickets, please keep one strip from each sheet and send the other strip/half of the sheet back to school once payment has been made online.

Payment for any tickets must be made by the end of the school day (3:25pm) on Tuesday 31st March (on ParentPay) and tickets sent back to school no later than lunchtime on Wednesday 1st April.

The draw will take place on the morning of Thursday 2nd April.

### Merit Winners

A huge WELL-DONE to our Merit winners. In addition to having 100% attendance, they have also demonstrated positivity and excellence

### Consultation Evenings

Please can we ask that, where possible, you do not bring children into the room during your child's meeting.

When children are present, it can be difficult for the class teacher to discuss areas where they may need additional support. As parents and carers, you may also have concerns you wish to raise, and having the child in the room can make these conversations more challenging.

In Reception and Year 1 particularly, having children in the room has also caused meetings to overrun, resulting in longer waiting times for other parents and carers.

Thank you for your support and understanding.

### School Drop-Off

We kindly ask parents not to park directly outside the school building. Parking in this area creates serious safety risks by reducing visibility for children and blocking access for staff and emergency vehicles to the car park. Please use the designated parking areas to help keep all our pupils safe.

### Year 5 Nurse Workshop

Year 5 children took part in a smoking and vaping awareness workshop with our school nurse today. Through this interactive session, the children have begun to grasp the essential principles of making informed and health-conscious choices.

### Aspire2Be

Our Year 5 children had a great time at Hartlepool Sixth Form College this morning during their science-themed Aspire2Be visit. They enjoyed a fantastic Science Show led by the college's students! Thank you for hosting, Hartlepool Sixth Form College.
