

School Nurse Drop In

The school nurse will be in school again next week. You do not need to make an appointment. Simply pop into school and she is available to talk about any concerns you may have.

School Nurse Drop In

Come and see us.

HARTLEPOOL BOROUGH COUNCIL

Year 3/4 Sports Hall Athletics

A fantastic effort and achievement from the Y3/4 students this afternoon who came first at the Sports Hall Athletics.

They worked extremely hard and showed excellent positivity. Well done Y3/4

Merit Winners

Congratulations to our merit winners! They have demonstrated outstanding 'Positivity' (our Commando Joe's RESPECT character value for the last two weeks) as well as having 100% attendance. Well done everyone!

Year 5/6 Sports Hall Athletics

Congratulations to our Y5 and Y6 children who came first in the Sports Hall Athletics competition this morning. They demonstrated a fantastic technique for a range of track and field events, running so fast we couldn't even get clear photos.

Attendance

If a pupil is collected early from school, even if they have been marked in the register, this may affect their chance to receive an attendance reward (e.g. a child is collected for a medical/unspecified appointment, but no evidence is given, or a child is collected to go away on holiday (which also requires a pre-holiday/absence request with school)).

Christmas Fair

A reminder that our Christmas Fair will take place after school on Thursday 14th December.

Please keep donations for the 'Chocolate Tombola' coming! Thank you.

Christmas Parties

Monday 11 th December	Reception	Year 5
Tuesday 12 th December	Year 2 Year 4	Year 6
Wednesday 13 th December	Year 1	
Friday 15 th December	Year 3	Nursery (AM) & (PM)

Mobile Phones

Y5 and 6 are the only year groups that pupils are allowed to bring mobile phones to school (leaving them at the office). This should only be pupils who walk to and from school on their own. This is not an option for pupils in other year groups. Thank you.

Christmas Performances

We are nearly there folks, and the children have been working very hard with their rehearsals! Please note that only parents/carers from one year group will make up a particular show's audience and tickets will be limited to two tickets per family, per show, and not two tickets per child.

Aspire2Be in Antarctica

Year 6 children got to virtually meet Rosie and Kiya from the MELT project on Monday. We found out how and why they became Antarctic scientists - it was great to hear how they described what they do every day and why it's such a cool job!

On Wednesday, Year 5 had the opportunity to virtually meet Keir and Ryan from the GHC project. The children were fascinated to hear how they have collected penguin bones and rocks from islands around Antarctica to find out how the sea levels have changed. They spoke about their job roles in detail which gave our children a fantastic insight into following a career path in earth science.
