

Parental/Carer Consultations

As a reminder, our Reception to Y6 evenings are this coming Monday and Wednesday (the 6th and 8th of March).

Booking for our Nursery time slots for Wednesday 15th to Friday 17th of March is now live on Teachers2Parents.

If you experience any technical difficulties please bear with it, this could be due to the volume of users. Nursery meetings will take place in the Heron Room.

Attendance

As previously messaged earlier this week, our winners for term 2A will receive their reward towards the end next week, due to this week being choc-a-block with wonderful World Book Day activities!

Aspire2Be

A number of our Year 6 children were invited to take part in an aspirations visit called 'My Green Future', at Teesworks Skills Academy in Middlesbrough. This was another successful aspirations event where the children had the opportunity to learn about green technologies and career pathways into this industry.

It has been wonderful to see so many of our children thinking so maturely when considering what they would like to achieve in their lives. It is also brilliant to see such a wide range of aspirations from our Year 5 and Year 6 children who have entered the Puss in Boots competition.

World Book Day (Week!)

What an unbelievable and magical week it has been! Thanks to everyone for making the joy of reading for pleasure such a wonderful event. Once again, it has been great to see so many of you in, with us all sharing the experience together. Thank you for all of the fantastic creativity, both at home and school! Brilliant!

Friday, 3rd March

Merit Winners

Well done to our merit winners. They have demonstrated 'Resilience and Empathy' and have also had 100% attendance this week!

Summer Half-Term Holiday 2023

We would, again, like to remind you of our arrangements for the summer half-term holiday of 2023. We have, as we did during previous years, organised all five of our PD days into one week - this time for the first week of June 2023, which is the first week of the last half-term of this academic year. This week follows on from the official half-term holiday (Whit Week).

This means that instead of school being closed for just one week, it will be closed for two weeks. As a result, school will close at home time on Friday 26th May 2023 and will re-open on Monday 12th June 2023, giving just over two weeks off. If you have considered family holidays, this fortnight provides a great opportunity without your child taking time away from school.

Summer Half-Term Holiday 2024

We can now confirm that we will be doing the same with our five PD Days for the summer half-term of 2024. Therefore, school will again be closed for two weeks. As a result, school will close at home time on Friday 24th May 2024 and will re-open on Monday 10th June 2024.

Social Media Age Restrictions

We are aware that there are issues outside of school, due to children accessing social media. Many social media platforms have age restrictions well above that of primary school pupils. WhatsApp for example is for 16 years of age plus. Please check out the eSafety page of our website for more information.

You Said We Did

As we have previously communicated, we value your feedback and we are constantly looking for ways to improve the provision we give your children. Please click on the link below to some of the initiatives we have put in place due to feedback we have received from parents. Thank you all once again for your support.
