JDRF

Following on from last week's thank you, and the counting up of your generous donations we can reveal that the school community raised a fantastic £512.65. This will certainly support JDRF's medical research regarding type 1 diabetes, whilst raising awareness at the same time.

Many thanks to you all!

Y2 & Y6 SATs

Good luck to all of our Y2 and Y6 pupils.

Y6 testing takes place Monday to Thursday next week, with Y2 testing and teacher assessment taking place over the next two weeks.

As with all of our pupils, they have worked extremely hard and have put everything into their preparation. They should be very proud of themselves!

As a reminder for Y6 pupils, following on from the letter they took home yesterday, the children can come to into school at 8.30am via the front entrance. It will be an opportunity for them to relax before the tests and to have a drink and a snack.

Attendance Winners!

1st Place Y4 B

2nd Place Y4 L

3rd Place Y5 T

Y3 Tennis

Well done to our Y3 Tennis players.

Yesterday, they attended the town final and conducted themselves extremely proudly.

Mrs Sibly said, they played exceptionally well, had an extremely positive attitude and were brilliant ambassadors for the school.

Governor Learning Walk

Another fantastic learning walk took place yesterday with school governors visiting the classes. They observed a variety of lessons and subjects, spoke with children and staff and were able to look at pupil books and work. The governors thoroughly enjoyed themselves and spoke highly of the experience having witnessed clear progression and an abundance of enthusiastic teaching and learning.

Dukeshouse Wood - Year 6 Educational Visit

The well-deserved visit to Dukeshouse Wood is fast approaching. A meeting has been arranged to go through the final details of the trip on Thursday 19th May at 5:00pm. The meeting will be an opportunity to settle any nerves from both the children and yourselves! It will also be an opportunity to remind you of the important information such as times, activities and what to pack. We look forward to seeing you all there. Children are also welcome!

Merit Winners

Well done to our 'Merit Winners' for this week. Once again, we have varied examples of high achievement and positive attitudes! Well done for: always being an exceptional Y6 role model, always engaging in our reciprocal reading, great reading responses during our Greek myth unit of work, writing an excellent acrostic poem, working hard on poetry, improving your confidence in Maths (you can do it), trying really hard to find percentages of amounts, great enthusiasm to join in class discussions, writing a story on their own and using capital letters and full stops, showing fantastic problem solving and reasoning skills (you are developing into an amazing mathematician), brilliant effort joining your writing, amazing work in class, fantastic attitude to learning and continued improvement in reading, very imaginative role play in our outdoor area, excellent focus and attention to detail during SATs reading, fantastic work with verb cards and fantastic attitude towards all aspects of school life.
