The day will be non-uniform and children can once again wear Christmas jumpers, or other items of Christmas clothing should you wish. Please note that due to this being the last afternoon, our 100% attendance winners will receive their prize during the first week back after the holidays.

Christmas Productions

We are sure that you will all agree that the children of Fens Primary School have been outstanding throughout all of the productions and sing-a-longs! Starting last Friday with our morning Nursery children, this whole week has been a showcase of the children's performing abilities and they have well and truly done themselves proud! Each show has been a wonderful community event and to have you all in as an audience, for the first time since Christmas 2019, has been magical. As an audience, you yourselves has been amazing and to be together, especially at this time of year, has meant so much. Thank you all and a very 'Merry Christmas'.
