

Year 6

This comes with a huge 'Well Done' to our fantastic pupils! The children have worked each day through one, or two test papers (six in total) and should be very proud of themselves. The SATs come towards the end of their primary school journey, and form a very intensive week. The children have been resilient each and every day, and have worked on each test to the last second. You are all stars Y6! We look forward to the rest of term and some well-deserved treats!

Newsletter Friday, 12th May

Group Photographs

The photographers will be in school next Friday (19th May), for class and group photographs. These are not individual photos, or ones with siblings.

Parking

When parking in the bays opposite the main school reception on Mowbray Road, please note that the two spaces to the left are not for public parking. The spaces are privately owned and are in front of two privately owned garages. We politely ask that no one parks in these spaces when dropping off/picking up. In addition, some parents and carers pick up from the school car park, which is only via an approved arrangement. If this is the case, the permission to park is only from 3pm onwards. Thank you.

Y3/4 Football

Well done to our girls, who played at a football festival at Grayfields on Wednesday morning.

Y1 Phonics Evening

It was lovely to see so many of you on Wednesday after school. Thank you for attending the event, and for your support with our Y1 phonics. The children will complete their official assessments in June.

Diary Dates

- 26-30.06.23 Arts Week
- 30.06.23 Summer Fair
- 07.07.23 Sports Day

Mobile Phones

Our Y5 and Y6 pupils who walk home alone are allowed to store mobile phones in the school office and collect them at home time. We please ask for your support in reminding the pupils that the phones must remain turned off until they have left the premises. Under no circumstances should the phones be used, when at school. Any changes to arrangements for school pick up should be communicated through the school office. Thank you.

Science Week

Science Week is one of our annual events which we excitedly look forward to. This week has seen us make a head start (continuing into our official Science Week next week) and our pupils have already had a variety of exciting experiences including visits from 'Animal Encounters' and a waddling 'brood' of ducklings, which we have thoroughly enjoyed watch hatch as the days have gone by – very cute indeed! Starting with big brother Frank, who was followed by Daffy, Daisy and Daphne they have certainly had huge impact on pupils and staff! There is so much more to come, but for now here are some fantastic pictures to keep you going.
