Friday, 13th May

Term Dates

A reminder that school closes next Friday (20th May) and reopens on Monday, 6th June. We also remind you that following the summer holidays school reopens in September on Friday, 2nd.

Science Week

In addition to the start of our Jubilee celebrations, next week is Science Week! We look forward to a week full of wonderful experiments and exciting activities, including from Professor Brainstorm and Animal Encounters.

Y2 & Y6 SATs

Our Y6 pupils cannot be faulted for their efforts during the examination period and have worked – heads down – to the best of their ability, and given their all. As a school, we give them a huge pat on the back for a job well done!

Well done to our Y2 children also, who have been working through their tests and assessments this week and giving their all. Good luck to staff and pupils who will continue this into next week. For children of such a young age they are doing a cracking job and should be very proud of themselves!

Quad Kids

Some of our Y3/4 children attended the Quad Kids athletics event on Tuesday at Brierton Sports Centre.

They performed brilliantly and enthusiastically and qualified for the Town Final. All children competed in a run, sprint, standing jump, howler throw and relay and all demonstrated a fantastic technique in all five events.

Well done everyone!

PE Kits

From September, when all children return to school following the summer holidays, we will have a full return to normal, regarding PE kits. This will mean black shorts, a plain white t-shirt and black gym shoes or a change of black trainers. These will need to be in a PE bag, which will stay in school. The bag should not be large and school labelled drawstring bags are available from Logo to Go.

Until then, after half-term (06.06.22), we ask that children come to school each day in their normal school uniform and bring their PE kit in a bag, which will again stay in school. This can be what they are presently allowed to wear and a bag of choice (again, not large bag). We do not want people to presently go out to buy anything new, but as a reminder, children should be wearing a plain white t-shirt, black trainers, and black shorts, leggings or jogging bottoms.

Thank you

Platinum Jubilee Celebrations

As part of our celebrations next Friday 20th May, we will be having a Crown Competition throughout the whole of school from Nursery to Y6. We are asking children to design and make a crown fit for a King, Queen, Prince or Princess. Please bring your entries into school on Friday 20th May for judging.

It will also be a non-uniform day next Friday. If children would like, they can come to school dressed in red, white and blue.

Merit Winners

Well done to our 'Merit Winners' for this week. They have pulled out all the stops and done themselves proud! Examples include: trying really hard to remember finger spaces in writing, fantastic memory when learning new words in French, working exceptionally hard on all targets (putting in all effort to the end of the day), making a great start with our time lessons in Maths, always getting on with tasks and putting 100% effort in to work, super rugby skills, showing great care and consideration to classmates, excellent progress in writing, showing an understanding of time, showing an excellent technique in cricket lessons, being able to find a ¼ of a shape and a first-class attitude towards their SATs (all Y6!).
