Year 6 are ready for boarding!

Children in Y6 had a great afternoon on Wednesday with Stuart Ellerton, pilot and SimFly flight instructor, and Gemma McCready, who previously worked for Atlantic Airways. The children enjoyed hearing about Stuart's and Gemma's careers and the many other careers in aviation. It was great fun trying out the uniforms and life-saving equipment.

World Mental Health Day

Thank you to Mrs Harrison from Alliance who came in to speak with the children about mental health and well-being and the team she is part of.

Lozenges

We ask that children do not bring throat lozenges to school as they pose a choking hazard. Thank you for your understanding.

Dogs

Thank you for your support in not bringing dogs onto the school grounds. We please ask that you inform other family members picking up children of this. Thank you.

Carlton Adventure Centre

Our pupils and staff are having a blast at the Carlton residential. The weather has been kind, and they are out and about making the most of the beautiful countryside, and getting caked in mud (more so today after the rain we've had). Thank you to those staff members giving up their personal time to make events like this happen.

Flu Vaccinations

We are pleased to inform you that we had 55% uptake on vaccinations this year. There will be a catchup clinic at some point. We are unsure of dates, but will communicate information as soon as we find out.
