

Y6 Leaver's Assembly

Well done to our fantastic Y6 for their two leaver's assemblies yesterday (first in the morning and then after school). You were all amazing. Good luck next week at your secondary schools and we look forward to seeing you all back next Friday.

Achievement Awards

Of the many highlights of the year, our annual 'Achievement Awards' took place this morning, and what a brilliant event it was.

Pupils from across the school received a variety of well-deserved awards, and it was another community event involving children, parents and carers, staff, governors and guest presenters.

Thank you to all of our parents and carers who managed to keep it a surprise. We know how hard it must have been!

Ofsted Report

We are pleased to announce that our most recent Ofsted report has now been published, and is available to view by clicking on the link below:
<https://reports.ofsted.gov.uk/provider/21/111600>

Our inspection itself was a Section 8, 'ungraded' inspection to confirm that the school remains 'good', following the previous inspection, which took place in 2018.

We are pleased to announce that this is still the case and that Fens Primary School remains a 'good' school. The community should be very proud, and celebrate the positivity within the report, and look forward to what is ahead for our school and our children, as we continue to 'grow and learn together'.

Many thanks.

Red Sky Foundation

Thank you to North East Cycling for returning on Monday, for a sponsored cycling catch-up session. We are over the moon to announce that the grand total raised overall is a staggering £4324.25!

As previously stated, proceeds are to be split equally between the Red Sky Foundation and funding towards school bicycle storage/sheds, which aim to have in place during the autumn term (this will not be at the start of term).

Merit Winners

Congratulations to our well-deserved winners who have excelled at demonstrating outstanding 'Positivity' in addition to having 100% attendance!

Rocksteady

Rocksteady bands performed to the community this afternoon at their termly concert. We are very proud of what the children have achieved and look forward to seeing them perform next year. If you would like your child to be part of one of the bands please go to the following link. Thank you.

Aspire2Be - Our Aspiring Fens Construction Team

On Monday, children in Key Stage 2 were excited to meet Geoff Scott from Keepmoat Homes. They found out about construction jobs which could be available to them when they are older and the dangers of playing around a building site.

Geoff has left the children with a task to create their own construction health and safety posters. In September, these children will be invited to the site where they can view their posters and find out who is the lucky winner of an Amazon voucher! Thank you for your time today, Geoff, and for working with our children – we are looking forward to seeing you again soon.

A big thank you to our parents and carers who have kindly completed the Google Form to express an interest in our Aspire2Be programme and sharing their own jobs/talents/careers with our children. We will be in touch very soon.
