Friday, 20<sup>th</sup> May

## Y2 SATs

Well done to our Y2 pupils who continued completing their tests and assessment this week. They have put every effort in and should be extremely proud!

## Y1 Phonics Screening

Our Y1 pupils will be carrying out their checks during the first week back after half-term. They have been amazing in school with their phonics and we wish them the very best of good luck!

## PE Kits

As detailed last week, after half-term (06.06.22), we ask that children come to school each day in their normal school uniform and bring their PE kit in a bag, which will stay in school. This can be what they are presently allowed to wear and a bag of choice (not a large bag). Children should be wearing a plain white t-shirt, black trainers, and black shorts, leggings or jogging bottoms.

## School Photograph Day

Date for your diary.

School photograph day will be on Friday 10<sup>th</sup> June. The photographs taken will be class photographs and other group photographs from activities throughout the year.

## Cricket competition:

A huge congratulations to our Y5/6 girls' and Y5/6 boys' cricket teams who competed in the cluster competition on Tuesday. Both teams were excellent representatives of the school and displayed great technique when batting, bowling and fielding in their matches.

## Outdoor athletics:

We would like to offer a huge congratulations to our Y5 and Y6 children who competed in the outdoor athletics cluster event on Thursday. The children competed in a range of track and field events, including sprint and distance running races, throwing and jumping events as well as a 5x 80m relay. The children were fantastic throughout, demonstrating a brilliant attitude and they all performed fantastically in a range of events.

## Science Week

For the first time in three years, we have been able to celebrate a whole school Science Week – and what a week it has been! Led by Miss Pearson, the week has been a showcase of investigations, observations, enquiry and, most of all, fun!

## Platinum Jubilee Celebrations

A huge thank you to everyone for today. Our Celebrations kicked off in style and the Platinum Jubilee is a topic which will continue next half-term. The red, white and blue non-uniforms look great and the crowns you have created look amazingly regal! From our 'whole school' flag, to afternoon tea, and crown procession to games and proudly singing our National Anthem the day has been outstanding. Led by Mrs Keen and Mrs McCarroll we thank you all for your support and contribution!
