Year 6

It has been lovely to see our Y6 children back today, following their transition days at the secondary schools they will attend in September. As we wave them off tonight, we want to wish them the very best of luck on the next steps of their educational journey. Y6, you have been fantastic and we will miss you very much. You will always be a Fens child, and the door will always be open! Good look and have a blast at your new schools in September!

Mrs Bridgewater

After many years of working at Fens and supporting hundreds of pupils and their families, Mr Bridgewater has taken the difficult decision to retire and spend time with her family. In addition to her role as Lunchtime Supervisor Charge, Mrs Bridgewater was also involved for many years in the school's gymnastics provision, and ran many clubs too. Although we are very sad to see her go, we wish her the very best of luck for a well-deserved retirement. Good bye Mrs Bridgewater,

Next Year's Classes

On Thursday, children across the school had the opportunity to spend time with their new class teacher who they will be with in September. During the moving up session, they were able to spend time in their new classrooms and meet any additional support staff who will be working in that year group. Year 2 children also had the opportunity to spend some time on the KS2 playground at break time.

For your information, these are the grouping for next September.

PE Kits

Please note the following reminder, which we first mentioned on the May, 13th newsletter. PE kits are to be black shorts, a plain white t-shirt and black gym shoes or a change of black trainers. These will need to be in a PE bag. The bag should not be large and school labelled drawstring bags are available from Logo to Go.

Thank you

Attendance

Covid has had a huge impact on all of us during the last few years, but as things are moving forward, disruptions are becoming less and less and we are now looking forward to a new full year of exciting times in school for all children.

We want every child getting into school as much as they possibly can and with this in mind, we will be introducing 'You've Got To Be In To Win!'

Throughout the next academic year (**again, Starting on Friday September 2nd**), we will be introducing a variety of ways for children to be rewarded with strong school attendance. One such example is half termly rewards for every child who has 100% attendance for that half term (the 100% will reset again at the beginning of each half term). This means that every child has 6 opportunities to win prizes throughout the year. In addition, there will also be exciting opportunities at the end of the academic year for every child who has received 98% attendance or above throughout the full school year. Details on all of this and more will be shared in September.

See you all on the 2nd!
