

Attendance - In to Win!

We have **277** children who have attended school every day this academic year so far. If these children are able to continue with this 100% attendance, they will each enjoy a fantastic prize when we break up for half-term. Remember, this will reset in the next half-term and every child in school will have a chance of winning a 100% award for the half-term of October-Christmas. Good luck everyone and remember that you have to be **'In to Win'!**

Cross-Country

Our cross-country runners and staff who attended had a great afternoon at Summerhill on Tuesday afternoon. Every child showed resilience and a desire to do their best, when racing against several other schools. Our children's behavior was impeccable and they did themselves proud! Congratulation to each pupil and good luck to those who qualified for the next round.
