

### Parking

We ask that you please respect the parking restrictions that are in place around school on a morning and after school. The restrictions that are in place are there to keep the children safe as they are crossing the road and entering school. We also ask that you do not park on other people's property or block their access. Thank you for your continued support with this matter.

### Absence

If your child/children are going to be absent from school, please can you ring school and leave a message with the office staff. As part of our safeguarding procedures, we need to know where all of our children are even if they are absent from school. Thank you.

### Congratulations

Congratulations to Mrs and Mr Carey on the birth of their baby boy Leo. Leo weighed in at a very healthy 7lb 14oz. Mother and baby are both doing very well and are having some much-deserved family time at home. We wish them good luck for the future and hope they all enjoy every single minute of their time together while Mrs Carey has her maternity leave.
