

Aspire2Be

It was wonderful to welcome Beth Cairns back into school following her first visit with us in February. Beth, Tees Valley Collaborative Trust Careers Co-Ordinator, worked with our Year 4 children this afternoon. The children took part in an interactive listening and presentation skills workshop, linked to careers. It was a fun, introductory session and the children enjoyed taking part in the games with Beth. Beth will return in May to work alongside our Year 6 children who will enjoy three sessions with her.

Quadkids

Well done to our group of Y3 and Y4 children who took part in the Quadkids athletic competition today. They were fantastic and they were a credit to the school.

Y4 Skipping Competition

Well done to our Y4 skippers who took part in this Wednesday's Skipping Festival Competition! They were fantastic throughout the morning and their 'Keep the Pot Boiling' was one of the best! They returned with a whole heap of certificates, which will be given out during our celebration assembly on Monday morning. Awards include: Side Swing, Face to Face Team, Single Bounce, Pretzel and Super Skipper!

Bag 2 School

We are hoping you can help us in raising some extra funds for Reading within school. Your child will have brought a charity bag home with them today and we ask, if you can, to please fill it up with the items listed on the bag. These can then be dropped off under the canopy on the KS1 and KS2 yards any day up until Thursday 9th May.

Defibrillator

Following our support of the Red Sky Foundation, we now have a defibrillator fitted outside of the school building to the left of the front doors, when you walk up the path. This equipment is available to the Fens Community and details of use are located on the outer case. To be able to unlock the case and use the equipment the following details are required:

Location: Fens Primary School

What3words: rate.occurs.lots
