

Newsletter Friday, 26th May

Languages Cinema Nights

Well done to those Y3/4, and Y5/6 who participated in our Languages Cinema nights. They enjoyed a variety of additional activities too. Well done all!

Ofsted

We would again like to say to you all a huge thank you all your support before, during and after our recent Ofsted inspection. As mentioned yesterday, although we cannot share the outcome of the inspection until the report is ready, we can say that it was a positive experience and every member of our community should be proud. Our children were amazing, and as a thank you treat, they have tucked in to ice-cream in sun (or shade)! Thanks again!

Y1 Phonics

When we return to school on Monday 12th June, our fantastic Y1 pupils will be carrying out their Y1 Phonics assessments during that week. They have been working extremely hard and we wish them the very best of luck!

Aspire

Thank you to Dean Cartwright from Hartlepool Football Club who worked with some of our Key Stage 2 children on Wednesday. He spoke to the children about various job roles available in a career in sport. We hope to visit Hartlepool Football Club very soon.

PSQM

We are delighted to inform you that our submission for the 'Primary Science Quality Mark' has been successful and we have achieved the 'GILT Award'! This truly reflects our commitment to excellence in science teaching and learning.

Merit Winners

Well done to our merit winners. They have demonstrated excellent 'communication' and have also had **100% attendance** this week!

Erin, from North East Raising Aspiration Partnership, worked with our Year 6 children yesterday, raising their aspirations in careers involving coding. Alongside the support of two Teesside University Ambassadors, Erin gave our children tasks and challenges where they were able to control and navigate a spherical robot around our Bousfield Suite. Children particularly enjoyed changing their robot's colour and enabling it to speak!

Some of our Year 5 children were invited to take part in an Aspire2Be visit to Hartlepool College of Further Education this morning. The children were met by the college staff and they enjoyed a presentation to find out about the courses available at the college. This was followed by a tour where the children had the opportunity to visit some exciting areas, including: the aerospace aircraft hanger, fuselage, automotive garage and the construction workshops.

Y4 skipping

Well done to our Y4 children who competed in the town finals of the skipping competition at Brierton Sports Centre on Wednesday. Children showed excellent skipping skills and team work throughout the competition.

Y5/6 Outdoor Athletics

20 of our Y5 and Y6 children had a great time competing in an outdoor athletics competition today at Manor. They demonstrated a fantastic level of skill in a range of track and field events. Their attitude was exemplary throughout and all children showed a great competitive spirit.

Y5 Boys Cricket Town Final

On Monday, our Y5/6 cricket team attended the town final competition at Hornby Park at Seaton Carew. They played some fantastic cricket in their matches, finishing second overall. They were brilliant representatives for the school and demonstrated great communication and teamwork.

Sponsored Cycle

This has been another fantastic event and experience for our pupils and staff, and we all had a great morning supporting the Red Sky Foundation. Our Y5 pupils had the added CPR experience, which they faced very maturely and sensibly. Your support for this event has been out of this world, and we very happy to say that (so far), the Fens Community has raised a staggering **£3553.22!** Wow! Thank you all – yet another occasion to be proud!
