

Parking Reminder

We again politely ask that people do not stop on the school entrance markings in front of school and allow children to jump out onto Mowbray Road, as this poses a potential health and safety risk. Stopping on the markings should not take place between 8am and 5pm. Thank you for your support with this matter.

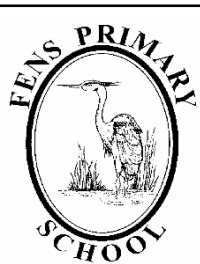

Stranger Danger

A round of applause to our first classes taking part in 'Clever Never Goes' this week. The children were very sensible and demonstrated a very good awareness of danger! Our other children in Reception and Y1 will work on the unit next week.

Safer Internet Day 8th February 2022

School will celebrate this annual event throughout the week commencing Monday, 7th February. Further information will follow and National Online Safety Parent Guides will be posted on our Facebook page.

Newsletter

Friday, 28th January

Attendance

Congratulations to this week's winners!

1st Place Y2R

2nd Place Y6C

3rd Place Y5J & Y6B (joint)

Holocaust Memorial Day

This week, every class has been taking part in activities to learn about Holocaust Memorial Day. The theme this year is One Day and children have produced some fantastic pieces of work for a whole school display.

Allotment

With Spring approaching, we are getting the school allotment ready for use. We're looking for some used car tyres to make vegetable planters from. We would be looking for around 8 tyres and wondered if anyone had any spare that they could donate to school.

Please contact Mrs Robinson if you have any that you could give to us. It would be very much appreciated.

Thank you for your support.

Covid-19

As you were previously made aware, due to being in enhanced measures following communication with Public Health, classes are continuing to not mix in school. The situation has been reviewed and due to continued positive cases of Covid-19 in school and the need to limit possible transmission, the enhanced measures will be extended and reviewed again at the end of next week. We again ask that social distancing is observed when dropping off and collecting your children at busy times.

Thank you again for your patience and understanding.

Merit Winners

Well done to our 'Merit Winners' for this week. They have all had a superb week and have demonstrated a fantastic attitude and positive outlook. Examples include: improvement in handwriting, presentation and letter formation, excellent sentence writing, amazing speed and technique in rugby, excellent technique of moves during Y5 dancing in PE, fantastic expression when reading aloud, working really hard to make common denominators when comparing fractions, being a super speller and working on maths skills at home and becoming more confident!
