

Y3 Tennis

Well done to our competition winners! The children did themselves proud and came back buzzing! They found out about their triumph in today's celebration assembly, and stood tall with their well-deserved certificates. Great skill and play – superb!

Nursery Stay and Play

Many thanks for attending Monday's stay and play sessions in the Nursery. We don't know whether the adults or the children had more fun, but everyone had a great time. It was lovely to see you there!

Y1 Phonics

Thank you, if you were able to attend one of the two Y1 Phonics Screening Check information events this week.

Y2 Gymnastics

The children in Year 2 visited Hartlepool Gymnastics Club and worked on the parallel bars, balance beam, vault and floor work. They had a brilliant time and learnt some new skills.

Aspire2Be

It was wonderful to welcome Paula McMahon back into school following her first visit with us last year. Paula, from Sir Robert McAlpine, worked with our Year 1 children on Tuesday morning. Her books are aimed at inspiring and encouraging young girls (and boys) in engineering and STEM subjects.

Also on Tuesday morning, our Year 4 children were excited to virtually welcome three aviation professionals into their classroom. The children got to meet a Pilot for EasyJet, an Aviation Engineer and a Design and Development Engineer for Virgin Atlantic.

Our Year 4 classes enjoyed a visit from Lucy, Rachel and Aley from ESH construction where they reinforced their learning around the water cycle. The children enjoyed time in our Bousfield Learning Suite and completed a range of tasks with our visitors.

Merit Winners

Well done to this week's merit winners. As well as having 100% attendance, they have also demonstrated our Commando Joe 'Communication and Teamwork' character value.

Happy Easter!

We would like to take this opportunity to wish you all a very Happy Easter and a lovely holiday. We don't know where the past two terms have gone, but we would like to thank the Fens community for your continued support, and look forward to a hopefully bright, warm and sunny summer term! The eggs brought in from home have been 'cracking' and choosing our winners has proven 'egg-cedingly' difficult. Our children are eggs-ellent crafters and have blown us away! Well done all, and well done also to our Easter raffle winners too. Together, the community has raised £XXXX, and we cannot thank you enough. All monies raised will go to providing many more eggs-citing experiences for our pupils. Thanks to staff also for their generous prize donations. Happy Easter!

Diary Dates

Assessments

Y6 SATs	13th-16 th May
Y1 Phonics Screening Check	10 th -14 th June
Y4 Multiplication Tables Check	10 th -14 th June
