## Year 2 Curriculum Newsletter - Autumn Term 1

Welcome to the 2022/2023 academic year and the first step on your child's Year 2 journey. We have lots of exciting curriculum learning planned for this half-term and greatly value your support as a parent/ carer. We would like to share our curriculum coverage for this half-term.

**English** - Pupils will be writing recounts and instructions. We will develop our reading skills through class texts, including Winnie the Witch. Please support us with reading, by listening to your child read aloud at home.

**Maths** – Our mathematicians will concentrate on place value and continue to develop their fluency and reasoning skills through solving problems. Please support us at home by ensuring your child completes any maths homework.

**Science** – The Year 2 scientists will develop their knowledge about animals, including humans. We will look at what animals need to survive and how humans can remain healthy.

**RE** – Year 2 will be building upon their Year 1 learning by exploring how Hindu people celebrate the festival of Diwali.

**PE** - Pupils will be developing their creative movement and developing their fitness.

**Geography** – Children will learn about their local area and begin to use maps to locate places of interest.
